India and Pakistan today exchanged, through diplomatic channels simultaneously at New Delhi and Islamabad, the list of nuclear installations and facilities covered under the 'Agreement on the Prohibition of Nuclear Weapons and the Ban on the Production of Nuclear Weapons and the Ban on the Possession of Nuclear Weapons between India and Pakistan'.

The Agreement, which was signed on December 31, 1988 and entered into force on January 27, 1991, provides, inter alia, that the two countries inform each other of nuclear installations and facilities to be covered under the Agreement on the first of January of every calendar year. This is the twenty first consecutive exchange of such lists between the two countries, the first one having taken place on January 1, 1992.
